

## **May 2020 Montana Suzuki Institute Website Update**

Dear students, parents, and teachers,

Out of concern for the safety and well-being of our participants and faculty, the Montana Suzuki Institute board and I have reached the difficult decision to cancel MSI 2020.

Please watch for an email with details about refunds, including the option to donate your tuition toward our operating costs. It may take several days before we can process the refunds, and then it may take 5-7 business days before you receive the refund. We appreciate your patience with this process.

Keep practicing and stay well. We hope to see you at MSI 2021!
